Re: ConnectU, LLC v. Zuckerberg, et. al., Civil Action No. 1:04-cv-11923 (DPW)

Dear John:

Both during your comments made at the outset of the hearing held before Magistrate Judge Collings on March 3, 2006, and again at page 4 of ConnectU's March 10, 2006 Summary and Status Report, ConnectU represents that a file exists on Device Number 371-02 that allegedly "deletes old versions" of any Harvard Connection or Facebook code. However, the specific file referenced in these statements has never been named; nor has its functionality been explained beyond ConnectU's statements that it deletes old versions of code.

Therefore, Facebook asks as a courtesy that you identify by March 17, 2005 the file to which you are referring, so that Facebook may address this issue in the Response that Magistrate Judge Collings requested. Your prompt attention to this request would be appreciated.

Very truly yours,

Monte M.F. Cooper
